About the School

"Rooted in Values. Driven by Innovation. Inspired for Excellence."

Established in 2005, Kautilya Vidyalaya, Mysore, is a premier CBSE institution committed to nurturing young minds through a perfect blend of academic excellence, character building, and experiential learning. Inspired by the timeless wisdom of the great strategist Acharya Kautilya, the school empowers students to become confident, compassionate, and responsible global citizens.

At Kautilya Vidyalaya, education extends far beyond textbooks. Guided by the principles of the National Education Policy (NEP) 2020, we provide a dynamic and learner-centric environment where curiosity is encouraged, creativity is celebrated, and every child is inspired to discover their unique potential.

From Montessori to Grade X, our curriculum integrates academics with innovation, ensuring that learning is engaging, meaningful, and future-ready. Through hands-on experiences, project-based learning, interdisciplinary activities, and technology-enabled classrooms, students develop the critical thinking, collaboration, and problem-solving skills essential for the evolving world.

Our distinctive learning ecosystem includes:

- STREAMED, Artificial Intelligence & Computational Thinking
- Design Thinking and Innovation Programmes
- Experiential and Activity-Based Learning
- Life Skills, Leadership, and Entrepreneurship Development
- Sports, Performing Arts, and Creative Expression
- Environmental Stewardship and Community Service

Academic excellence remains our hallmark. Our students consistently demonstrate outstanding performance in the CBSE Board Examinations while excelling in Olympiads, sports, arts, literary pursuits, and numerous co-curricular competitions at the state and national levels.

Under the visionary leadership of our Chairman, Sri T. Babu, and the dedicated efforts of our passionate educators, Kautilya Vidyalaya continues to evolve as a centre of excellence where innovation meets tradition, and every child is encouraged to dream, discover, and achieve.

As we embark on another exciting academic journey, we remain steadfast in our commitment to shaping lifelong learners, ethical leaders, and responsible citizens who will contribute meaningfully to society and the world at large.

At Kautilya Vidyalaya, we don't just educate students—we inspire thinkers, nurture leaders, and build the future.

From the Chairman's Desk

Dear Students, Parents, Teachers and Well-wishers,

Welcome to the inaugural edition of our school newsletter '**KAUTILYA TODAY**'—a small window into the vibrant life of our community.

As we launch this new chapter, I invite you to reflect on a simple truth: education is not about having all the answers. It is about having the courage to ask better questions.

This newsletter is more than a collection of events; it is a testament to our spirit. It represents the culmination of curiosity, the celebration of effort, and the acknowledgment that learning is a lifelong journey, not a destination.

To our students—dare to dream, dare to fail, and dare to try again. Your potential is limitless, and your voice matters.

To our parents and teachers—thank you for your unwavering trust and dedication. Together, we are shaping not just scholars, but compassionate human beings.

As we journey ahead, remember: every expert was once a beginner. Every success story began with a single step.

Let us take that step together.

With warm regards,

T. Babu

Chairman

Kautilya Group of Institutions

From the Director & Principal's Desk

"The strength of a nation lies not in its wealth, but in the wisdom, character, and courage of its people."

— Inspired by the teachings of Acharya Kautilya

Dear Students, Parents, Teachers, and Well-Wishers,

It is with immense joy and a deep sense of gratitude that I welcome you to the inaugural edition of K.V. Today—a newsletter that celebrates the heartbeat of Kautilya Vidyalaya.

Every school has a story. It is written not only through achievements and milestones but also through everyday moments of curiosity, perseverance, kindness, and growth. K.V. Today is our way of sharing these stories with you—stories that reflect the spirit of our students, the dedication of our teachers, the unwavering support of our parents, and the collective vision of our entire school community.

At Kautilya Vidyalaya, inspired by the timeless wisdom of Acharya Kautilya, we believe that education is about much more than academic success. It is about shaping individuals who think independently, act with integrity, lead with empathy, and embrace challenges with confidence. In a world that is constantly evolving, it is character, values, and the courage to make the right choices that truly define success.

Every child who walks through our gates is unique, carrying within them limitless possibilities. Our greatest privilege as educators is to nurture those possibilities, ignite curiosity, build confidence, and empower every learner to discover their purpose and realise their fullest potential.

This newsletter is also a celebration of the many hands and hearts that make Kautilya Vidyalaya what it is today. Every achievement featured here is the result of a shared commitment to excellence, collaboration, and the belief that learning flourishes when school and home work together.

As we embark on this new journey with K.V. Today, I invite each one of you to continue learning with curiosity, leading with purpose, and serving with compassion. Together, let us build not just successful students, but responsible citizens and compassionate leaders who will make a meaningful difference to the world.

"Education gives us knowledge. Values give us direction. Character gives us purpose. Together, they create leaders who transform the world."

With warm regards,

Dr. S. Jayashree Muralidhar

Director & Principal

Commencement of the Academic Session for students

Kautilya Vidyalaya enthusiastically opened its doors to students for the new academic session, creating an electrifying atmosphere brimming with energy and positivity! The campus buzzed with excitement, perfectly setting the stage for a thrilling year of learning and personal growth.

Teachers kicked off the festivities with engaging ice-breaker sessions and fun-filled activities designed to make everyone feel right at home. Each teacher welcomed the students with warmth and encouragement, ensuring that they felt comfortable, valued, and inspired as they embarked on this new academic adventure.

This vibrant environment laid the foundation for students to step forward with confidence, curiosity, and a sense of wonder about the incredible opportunities that await them. Get ready for an amazing year filled with learning, laughter, and new discoveries! Let's make it unforgettable!

"First Day, Fresh Start, Endless Possibilities!"

Warm Welcome to the Academic Session 2026-27

A Warm, Joyful Welcome to a New Journey of Learning and Growth!

May 2026

Empowering Educators for Excellence

Kautilya Vidyalaya proudly launched its transformative Teachers' Training Programme, igniting a spark of enthusiasm and passion among educators. Each session was thoughtfully crafted to explore innovative teaching practices and enhance essential skills, cultivating an inspiring and dynamic learning environment. This enriching journey not only empowered teachers but also reinforced their invaluable role in shaping future leaders. The programme stands as a testament to the school's unwavering commitment to fostering continuous professional growth and fostering a community dedicated to excellence in education. Together, we are not just teaching; we are inspiring tomorrow's change-makers!

Classroom Management Capacity Building Programme

Capacity Building Session on Competency-Based Assessment & Artificial Intelligence

A two-day Classroom Management Capacity Building Programme (CBP) was conducted at Kautilya Institution on 11th and 12th May 2026 for Teachers

Kautilya Vidyalaya conducted a two-day Classroom Management CBP on 11th and 12th May 2026, focusing on effective and innovative classroom strategies to create positive learning environments. An enriching session on Competency-Based Assessment (CBA) and AI in Education was conducted by the esteemed Director & Principal, Dr. S. Jayashree Muralidhar, highlighting CBSE-aligned practices, experiential learning, and future-ready teaching approaches.

Both sessions were interactive and insightful, enhancing teachers' skills and reaffirming the school's commitment to continuous professional development.

Capacity Building Session: Effective Question Paper Preparation

A highly enriching Capacity Building Session on Question Paper Preparation was conducted by Mr. Vasudevan on 16th May 2026 at the Prakruthi Auditorium, Kautilya Vidyalaya.

The session focused on designing well-structured, balanced, and competency-based question papers as per CBSE guidelines. Mr. Vasudevan shared practical and insightful strategies for assessing conceptual clarity, critical thinking, application skills, and higher-order thinking, along with effective blueprint preparation.

The engaging and informative session enhanced teachers' assessment competencies and reaffirmed the institution's commitment to academic excellence and quality evaluation practices.

"Professional Growth, Lasting Impact"

Parent Orientation Programme

CRMD-Curriculum Road Mapping Day

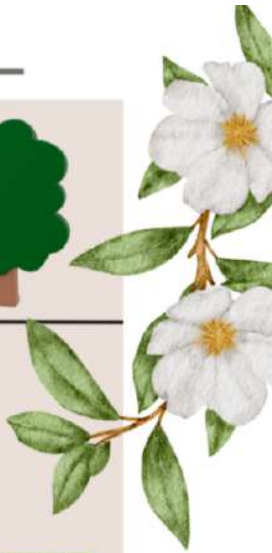

Kautilya Vidyalaya recently hosted three inspiring and collaborative Parent Orientation Programmes at the Prakruthi Auditorium, welcoming parents of Grades VI–X on May 23, 2026, and Grades III–V and KG to Grade II on May 30, 2026. Spearheaded by our Director & Principal, Dr. S. Jayashree Muralidhar, these sessions aimed to foster a vibrant partnership between the school and families.

Emphasis was laid on the parenting styles and on how to handle the current generation of students. The Director and Principal also emphasized the importance of parents engaging in open and transparent communication with the teachers and the school, fostering a more encouraging and collaborative environment.

The sessions were enriched by an interactive Q&A segment, where parents were encouraged to share their thoughts and insights. This open dialogue strengthened the bonds of collaboration, reminding us all that we are partners in shaping the future of our children. Together, let's continue to inspire and empower our children to reach greater heights!

World Environment Day

"Planting Ideas, Growing a Greener Tomorrow{"

Event Highlights:

- * *Eco-friendly cleaning products.*
- * *Making waste basket from soaked newspaper pulp.*
- * *Compost making.*

Our students celebrated World Environment Day with an exciting and impactful event! They engaged in hands-on activities that promoted environmental awareness and showcased sustainable living. Grade 9 students created eco-friendly cleaning products, while Grades 3 to 5 crafted unique waste baskets from soaked newspaper, highlighting recycling and resourcefulness. The vibrant poster presentations burst with creativity, focusing on practical solutions for our planet's challenges.

On June 6th, 2026, we hosted a Compost Making Session for Grades 3 to 8 at Prakruthi Auditorium, led by Ms. Rekha, a dedicated Rotarian. Students enthusiastically transformed kitchen and garden waste into compost, participated in making eco-friendly products, and created collages and posters. Together, we celebrated creativity and responsible practices, inspiring everyone to take action for a sustainable future!

"Every small green step today creates a healthier tomorrow"

International Yoga Day

Breathe • Balance • Believe

Event Highlights:

- * Graceful demonstration of various yoga asanas.
- * Promoted mindfulness, discipline, and flexibility.
- * Encouraged a healthy and balanced lifestyle.

Kautilya Vidyalaya celebrated International Yoga Day with an inspiring session led by our dedicated yoga teacher. Students from grades 6 to 8 filled the space with breathtaking postures, enhanced by uplifting music. Their enthusiastic participation highlighted the importance of mindfulness, discipline, flexibility, and inner peace. This vibrant day inspired all to embrace the journey towards holistic well-being and the power of yoga!

"Every mindful breath today creates a stronger tomorrow."

International Music Day

Where Words End, Music Speaks

Event Highlights:

- * Soulful choir performances of Ganapati and Sharade.
- * Students showcased their musical talent with enthusiasm.
- * Celebrated creativity, collaboration, and artistic expression.

The day began with a heartfelt Saraswati Pooja, led by our Director and Principal, setting a tone of reverence and gratitude for the arts. The school choir then took the stage with soulful renditions of Ganapati and Sharade, filling the air with joy and connection.

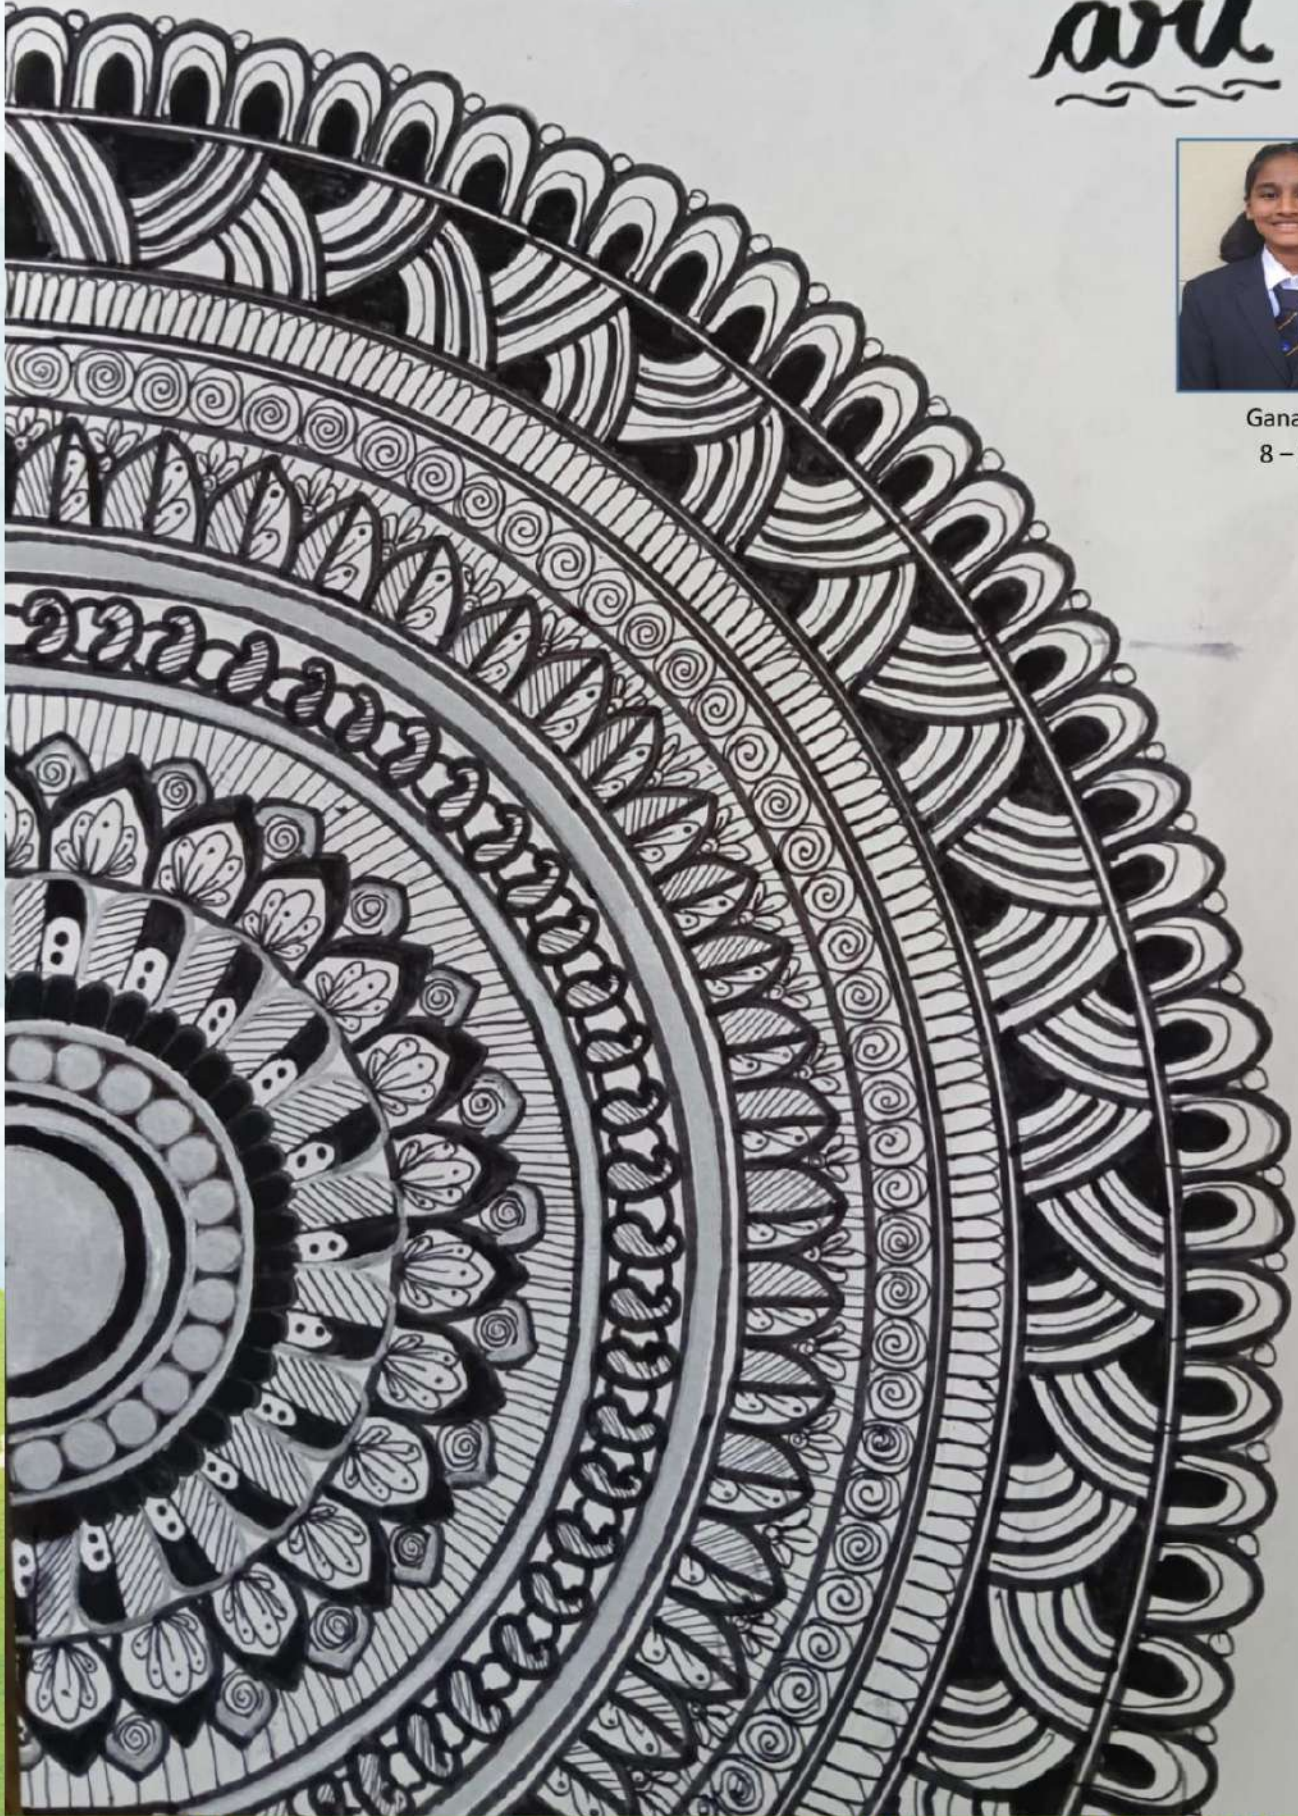

As melodies floated through the air, the event became a vivid tapestry of creativity, showcasing the transformative power of music. It was a day when emotions were freely expressed, allowing us to feel the pulse of collaboration among fellow students. Each note played, each song sung, reminded us of music's ability to unite us, transcending our differences and fostering a community bound by passion and shared experiences. Together, we celebrated not just music, but the rich connections it cultivates in our lives.

"Every note echoed harmony, joy, and inspiration."

Student Council Investiture Ceremony

"Leading Today... Inspiring Tomorrow"

Event Highlights:

- * Student Council for the 2026–27 academic year was officially inducted.
- * Inspiring address by Group Captain Abhinav Chaturvedi, CEO & Founder of Alpha Lead Academy.
- * Celebrated the spirit of leadership, democracy, and responsible citizenship.

Kautilya Vidyalaya welcomed the newly elected Student Council for the 2026–27 academic year, celebrating the launch of a Digital Election Process that promoted democratic values.

Gracing the occasion as Chief Guest was Group Captain Abhinav Chaturvedi, CEO & Founder of Alpha Lead Academy — an NDA alumnus and decorated Indian Air Force pilot who flew one of the first aircraft over the Kargil war zone, earning him the Kargil Star. His inspiring words left a lasting impact on our young leaders.

Our Director & Principal inspired the young leaders with her powerful words: Leadership is about service, humility, integrity, responsibility, and helping others grow. She encouraged students to dream fearlessly, embrace challenges with determination, and lead with confidence, compassion, and integrity.

The Head Boy Parjanya Sharma and Head Girl Gauri Adarsh led the newly elected Student Council by taking their pledge to serve with integrity and excellence, along with the other Captains followed by deputy head boy Bipin and deputy head girl Samruddhi.

"Leadership begins with responsibility and grows through service."

Skill Demonstration Activity

"Exploring Ideas • Demonstrating Skills •
Inspiring Innovation"

Event Highlights:

- * Encouraged experiential learning through hands-on activities.
- * Fostered scientific thinking, curiosity, and creativity.

Grade 4: Water Filtration Model:

Kautilya Vidyalaya's Grade 4 students embraced hands-on learning by creating effective water filtration models with everyday materials. They demonstrated how to remove impurities from water, fostering curiosity about clean and safe drinking water while developing their scientific thinking and environmental awareness.

Grade 5: Daily Food Survey and Balanced Diet Plate

In Grade 5, students conducted a food survey to analyze their eating habits and created balanced diet plates using drawings and cut-outs. This engaging activity reinforced their understanding of healthy eating, promoted self-reflection, and enhanced their decision-making skills.

Grade 6: Hydraulic Lift Model

Grade 6 students showcased their creativity and problem-solving abilities by building working models of hydraulic lifts. This engaging demonstration of hydraulic pressure deepened their conceptual clarity and presentation skills through hands-on exploration.

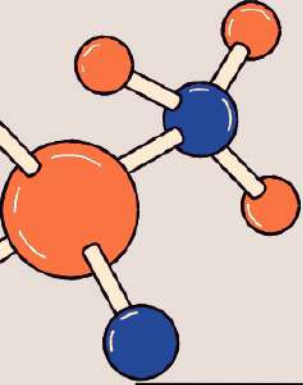

Grade 7: Rainwater Harvesting and Vertical Farming

Students presented sustainable models on rainwater harvesting and vertical farming, highlighting eco-friendly practices. They also created shadow plays to illustrate scientific concepts, encouraging teamwork and innovative thinking.

"From Curiosity to Discovery"

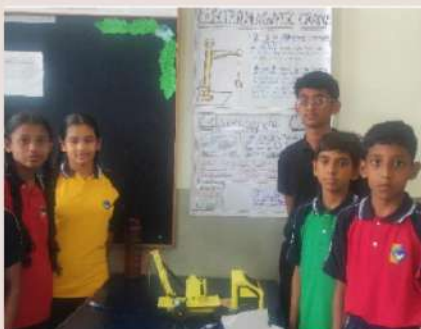

Skill Demonstration Activity

*"Exploring Ideas • Demonstrating Skills •
Inspiring Innovation"*

Event Highlights:

- * Encouraged experiential learning through hands-on activities.
- * Fostered scientific thinking, curiosity, and creativity.

Grade 8: Electromagnetic Waves and Windmills:

In two engaging activities, Grade 8 students learned about electromagnetism and renewable energy. They explored real-world applications of electromagnets and constructed windmills, enhancing their creativity, analytical thinking, and awareness of sustainable energy sources

Grade 9: Eco-Friendly Cleaning Products

Grade 9 students created eco-friendly cleaning products from household materials, promoting sustainability and responsible practices. Their teamwork and innovative approach during presentations showcased their scientific understanding and enthusiasm for green solutions.

Grade 10:

Isolation of DNA from Fruit Extract A hands-on lab activity allowed Grade 10 students to isolate DNA from fruit extracts, developing essential laboratory skills. This exciting experiment not only reinforced their understanding of DNA as hereditary material but also inspired curiosity and independence in scientific exploration. These activities not only enriched students' knowledge but also cultivated essential skills for their future endeavours, igniting curiosity and creativity in every learner.

A Day with a Lab Technician

Grade 10 students recently had an exciting field trip to a diagnostic laboratory, stepping outside the classroom to explore healthcare and medical sciences. They engaged with various laboratory instruments and learned about blood clotting, serum and plasma separation, and haemodialysis procedures. Discussions around organ donation awareness prompted thoughtful questions, making this visit a gateway to real-world learning. This experience ignited curiosity and showcased the possibilities within laboratory science and healthcare careers.

"Learning comes alive when knowledge meets experience."

Toy Making Competition

"Create, Innovate, Inspire!"

Event Highlights:

** Our students got ready to embark on a vibrant journey where creativity knows no bounds! In an exhilarating celebration of innovation, our students transformed ordinary recycled materials into extraordinary toys, proving that with imagination, anything is possible!*

Grades 1-5

Puppets with Purpose

In a colorful explosion of art and storytelling, our young creators brought their unique visions to life by crafting dazzling puppets from a variety of materials. This engaging activity not only sparked their artistic talents but also ignited their storytelling abilities and encouraged self-expression. Watch as these puppeteers take the stage, ready to inspire and entertain!

Grades 6-8

Innovation from Imagination

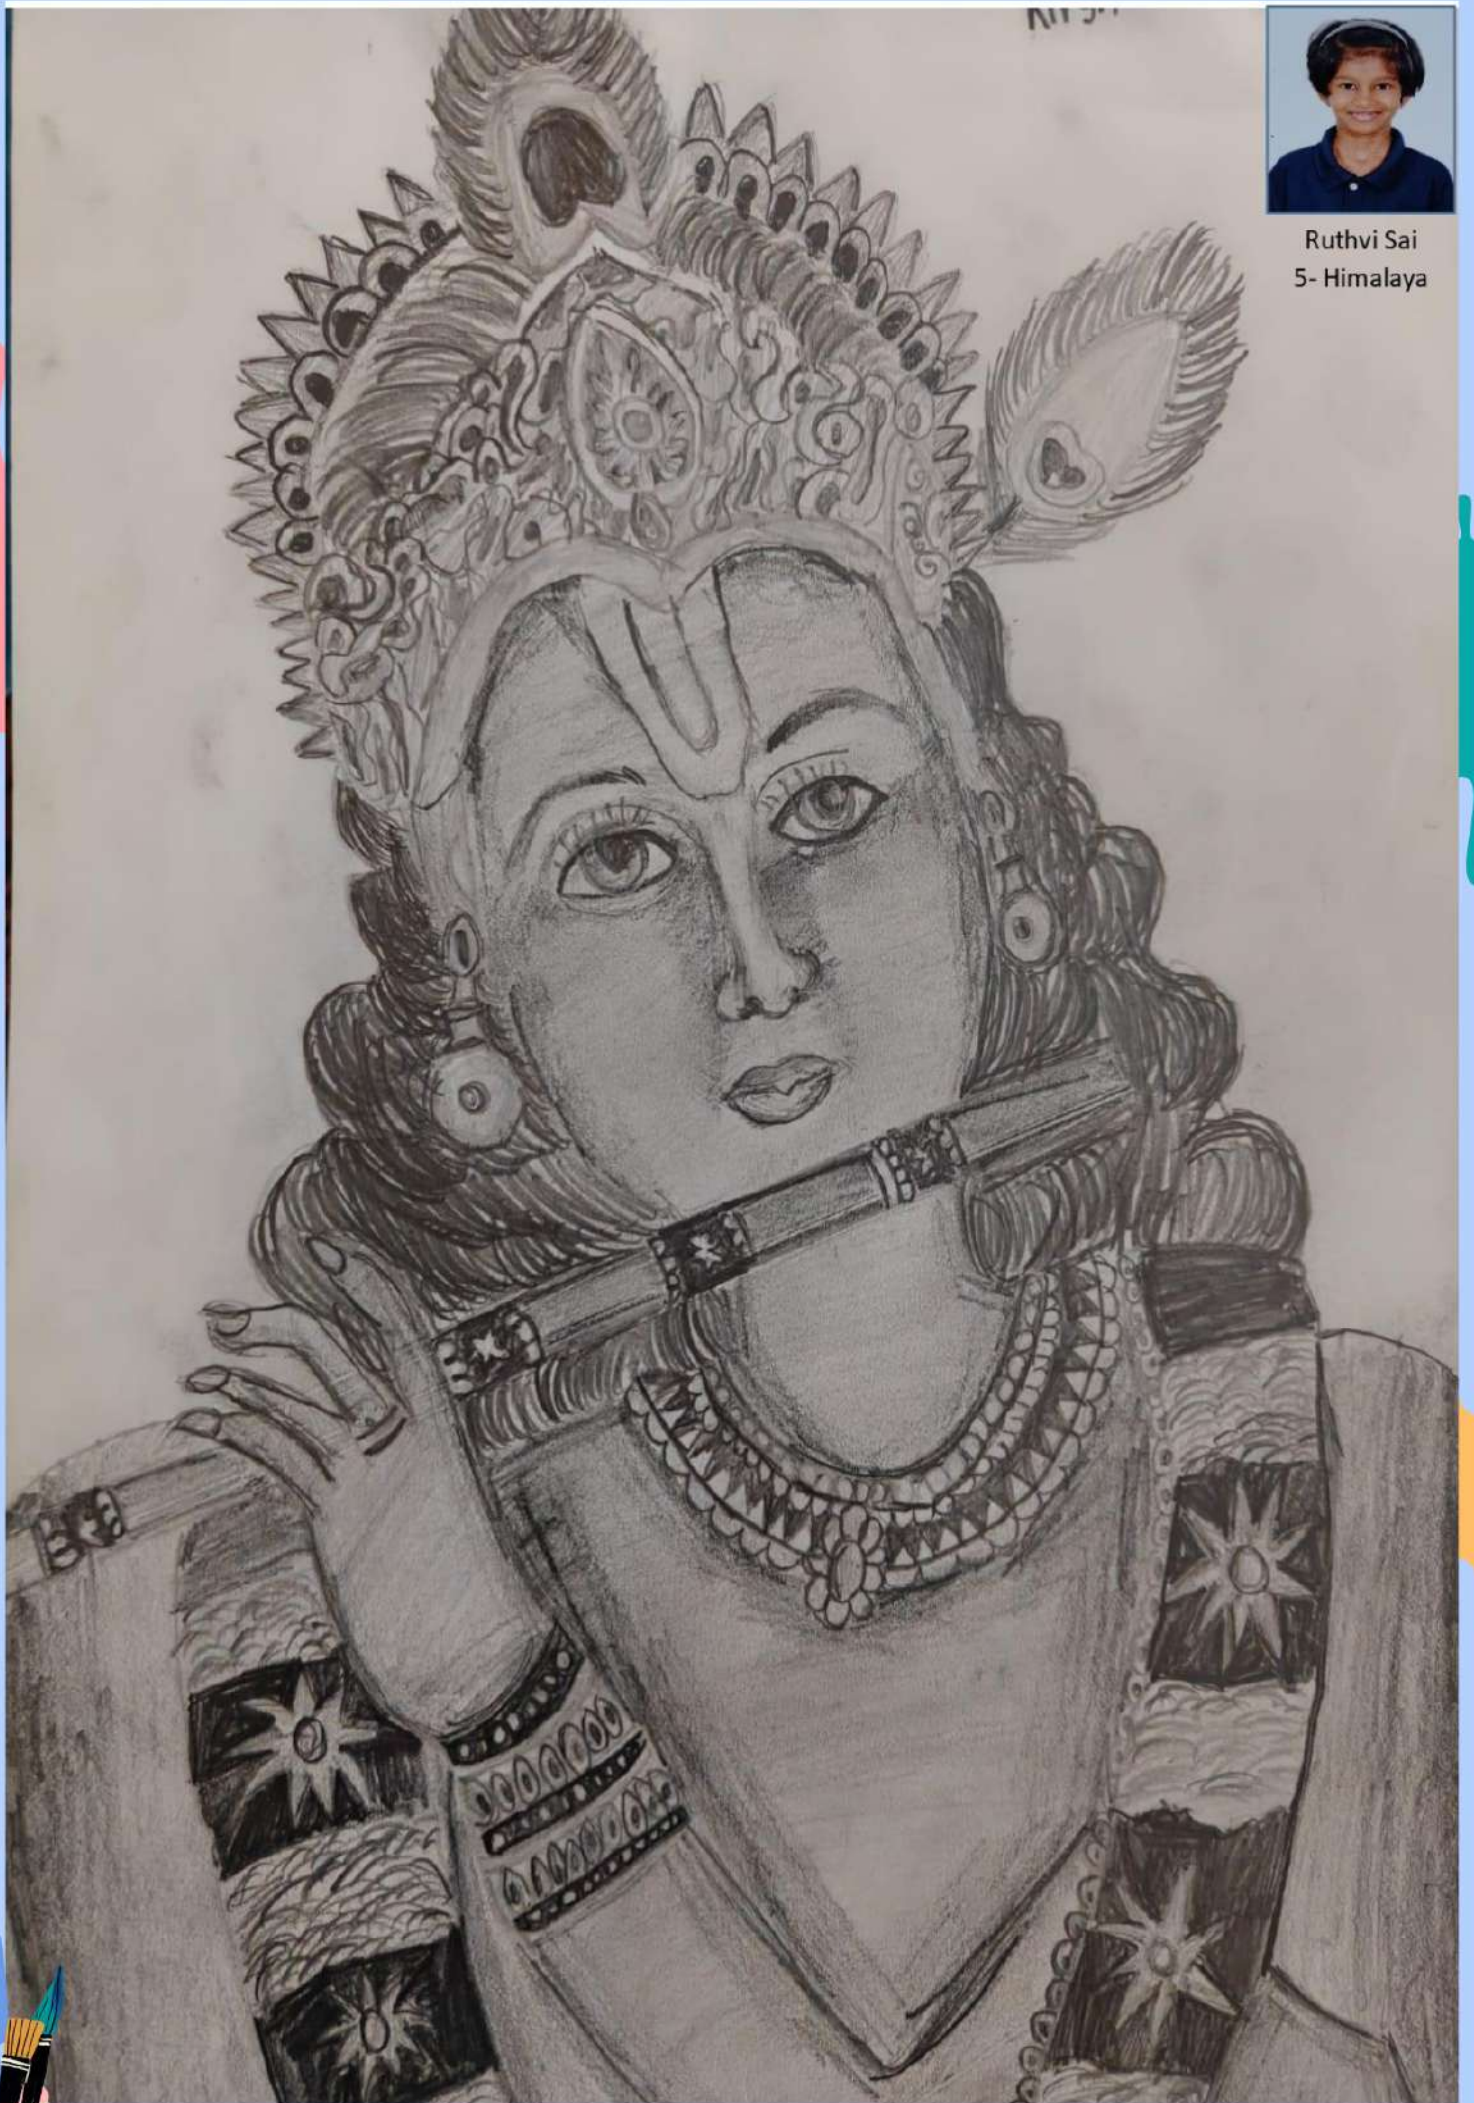

Step into a world of ingenuity where students create eco-friendly toys using recycled materials, embracing sustainability and showcasing their creativity. Parents play a vital role in school communities, and at Kautilya, we strengthen the bond between parents and the school by inviting them to participate in events like our recent toy-making competition. This collaboration brings joy to parents while fostering valuable connections. Together, let's continue to create a vibrant learning environment where everyone thrives!

"Little Hands... Big Ideas."

Student Achievement

"Proud Moments, Brighter Futures"

Science Olympiad Foundation Level-2 Achievers

Kautilya Vidyalaya proudly congratulates its talented students for their exceptional performance in the Science Olympiad Foundation (SOF) Level-2 Examinations (2025-26). Their dedication and academic excellence earned them Cash Awards/Gifts worth ₹500 along with the prestigious Certificate of Zonal Excellence.

International English Olympiad (IEO)

- N. S. Anusha
- Adhithi K. P.

National Science Olympiad (NSO)

- Phalgun Bharadwaj
- Shishir G. Vasisht
- N. S. Anusha

International Mathematics Olympiad (IMO)

- Parikshith Sannakki
- Samrudh Bhimarao Patil

CHESS ACHIEVEMENT

Advik R from Grade IV (Narmada) has truly shone by securing Second Place in the Under-10 Chess Championship! This achievement not only highlights his exceptional concentration and strategic thinking skills but also serves as a testament to the hard work and dedication he has put into improving his game. Every game is a stepping stone towards greater heights, and we can't wait to see what amazing accomplishments lie ahead for him in the world of chess! Keep up the great work, Advik!

"Success is earned through dedication, perseverance, and passion."

Student Achievement

"Proud Moments, Brighter Futures"

Event Highlights:

* Our NCC cadets excelled at the Combined Annual Training Camp (CATC) / TSC-I, bringing pride and recognition to the school.

A celebratory banner for Kautilya Vidyalaya, affiliated to CBSE Delhi. The banner features the school's logo at the top, followed by the text "Proud Moment!" in large, stylized purple and gold letters. Below this, a gold trophy is shown. A central photograph depicts a group of school staff and NCC cadets standing in front of a backdrop that reads "16 KARNATAKA BN NCC" and "MYSURU CATC/CP TSC-I CLOSING ADDRESS". Below the photo, four award boxes are displayed, each with a medal icon and text describing a student's achievement. At the bottom, a congratulatory message is followed by a banner with the school's motto: "DISCIPLINE | DEDICATION | DETERMINATION | EXCELLENCE".

Special Literary Updates!

CHILDREN'S LITERATURE PROGRAM

Exciting News from the Children's Literature Stage!

*On Saturday, 27th June, at 3:30 p.m., the **Makkala Mantapa** programme on **Akashvani FM 100.6** featured Kavitha B.G. and Chinmayi K.S., who presented a delightful segment inspired by children's letters, celebrating the creativity and expressive talents of young minds.*

*Adding to this proud moment, our talented students **Dhanya J. Aras** and **Poorvika Anand** had their captivating poems broadcast on **Akashvani FM 100.6**, showcasing their literary talent and bringing great pride to the school.*

New initiatives @ Kautilya Vidyalaya:

Maker space -Innovation lab #STREAMED #

We are incredibly excited to announce the launch of our cutting-edge innovation lab! This dynamic space is designed to empower our learners with the latest advancements across AI, design thinking, IoT, and machine learning. By immersing ourselves in these transformative technologies, we're not just keeping pace with the future—we're actively shaping it. This initiative is a bold step toward equipping our community with the essential skills and knowledge to tackle complex challenges head-on. We believe in fostering critical thinking and problem-solving abilities that will elevate our learners to new heights. Join us on this thrilling journey as we explore new horizons and redefine what's possible!

Toastmasters Gavel club and Cambridge English Advantage.

We are excited to launch the Toastmasters Gavel Club Programme, the Cambridge English Language Proficiency Programme in partnership with The English Advantage at Kautilya Vidyalaya, aimed at empowering students with essential 21st-century skills: effective communication and confident public speaking. In a rapidly changing world, clear expression, critical thinking, and persuasive communication are vital. The Toastmasters Gavel Club offers a supportive platform for students to develop these skills from an early age.

The programme features structured learning through prepared speeches, impromptu activities, leadership roles, and engaging exercises in a safe environment.

This initiative is designed to enhance students' English language skills for a globalized world.

Cyclic Tests:

We are pleased to announce the implementation of cyclic assessments, which will be conducted every Monday and Friday. This initiative aims to reinforce the learning material covered in class and to ensure that students are consistently engaged with their studies.

These assessments have been strategically scheduled to allow for regular evaluation of students' understanding and retention of the subject matter. By integrating these cyclic tests into our academic routine, we seek to foster a more robust learning environment that supports the achievement of desired educational outcomes.

The results from these assessments will provide valuable insights into students' progress and areas where further support may be necessary, enabling educators to tailor their instructional methods accordingly. We believe that this proactive approach will empower students to stay on track with their learning objectives and ultimately enhance their academic performance.
